## About the college:

Modern Education Society is established in 1932 with the motto

***“For the Spread of Light”***

M.E.S. College of Engineering is established in 1999 and situated in the heart of Pune city, offers engineering degree courses in Mechanical, E&TC and Computer Engineering and is affiliated to Savitribai Phule Pune University, accredited by NAAC with ‘A’ Grade. The college is developing fast with the vision *“To Develop Motivated, Environment friendly, Self esteemed, Creative and Oriented Engineers”* and the mission *“To develop industry oriented manpower to accept the challenges of globalization by promoting value Education through motivated trained faculty by maintaining conducive environment for affordable cost by promoting industry institute interaction by involving Alumni”*.

## About the Department:

The Department of Electronics and Telecommunication Engineering is established in 1999 and emerged as a leading source for providing up-to-date knowledge and technological developments in Electronics and Telecommunication Engineering. The department has technically rich and industry experienced faculty providing sound foundation of knowledge in Electronics and related areas. The Department has 30 dedicated faculty members including four doctorate professors and twelve pursuing their PhD degree. State of the art computational and experimental facilities enable the department to undertake basic and applied research and provide support to R&D organizations. Department offers sponsorship for BE inhouse projects. Various programs and activities are conducted for uplifting students as well as staff members continuously throughout the year like Roboclub, ETSA etc. The graduating students are well placed in leading academic institutes, research organizations and industries. The department has started M.E. ( Signal Processing ) course from 2013.

## Call for Paper:

The National Conference on Advancements in Communication, Computing and Electronics Technology provides a platform that can facilitate researchers, academicians and students to discuss recent advances and trends in the fields of theoretical, experimental, applied Communication, Computing and Electronics Technology. The conference will also spark innovative ideas, foster research relations or partnerships between the various institutions and build strong research and development community.

**Topics of interest for paper submission includes but not limited to:**

Embedded systems and VLSI  
Internet of Things  
Wireless Communication and Antennas  
Wireless Sensor Network  
Speech and Audio Signal Processing  
Image Processing and Pattern Recognition  
Robotics, Mechatronics and Automotive  
Mobile Communication and Networking  
Soft Computing and Cloud Computing  
Computer Vision/ Machine Vision  
Nano Technology and Nano Materials  
Renewable Energy Sources  
Mathematical Modeling and Optimization Techniques  
Six-Sigma/ Taguchi Techniques/Advanced Inventory Techniques  
Challenges of Global Warming and Human Factors

## “Best Paper Award”

Best paper will be selected from the presented papers.

**Paper Submission :** Papers should be sent on [entc@accetmescoe.com](mailto:entc@accetmescoe.com)

For submission through 'EasyChair', please visit conference website : <http://www.accetmescoe.com>
