### About the College

Modern Education Society was established in 1932 with the motto

### “For the Spread of Light”

M.E.S. College of Engineering is established in 1999 and situated in the heart of Pune city, offers engineering degree courses in Mechanical, E&TC and Computer Engineering and is affiliated to Savitribai Phule Pune University, accredited by NAAC with ‘A’ grade. The college is developing fast with the vision “To develop Motivated, Environment friendly, Self esteemed, Creative and Oriented Engineers” and the mission “To develop industry oriented manpower to accept the challenges of globalization by promoting value Education through motivated trained faculty by maintaining conducive environment for affordable cost by promoting industry institute interaction by involving Alumni”.

### About the Department

The Department of Computer Engineering has been taking consistent efforts since its inception in 1999 with highly qualified and energetic faculty for all-round development of budding engineers for tomorrow’s nation building. The department has an intake of 180 for UG and 24 for PG. This is an exciting place to study and grow where thinkers become leaders and where there is thirst of knowledge. The interaction between the students and professors profusely enriches the educational experience. The department is well equipped with state-of-the-art infrastructure & advance laboratories. Many staff members have completed Ph.D. and most of are pursuing Ph.D. in various streams of Computer Engineering to strengthen Research & Development & to leverage research aptitude of students.
