IMPORTANT DATES

- Paper Submission deadline :10/03/2020
- Intimation of acceptance of paper :10/03/2020
- Last Date of registration fees :15/03/2020

Participants should fill the attached registration form and send it to the coordinators along with the DD drawn in favor of '**PRINCIPAL, M E S COLLEGE OF ENGINEERING, PUNE- 01**' payable at Pune. Also you can avail the facility of e-banking. The details of e-banking are mentioned on registration form. Advance copy of registration form must be sent via email to the coordinators on below mentioned Email ID.

E-mail –mechanical@rdmemescoe.com

Candidates will be confirmed only after the receipt of registration form. Confirmation will be communicated via email.

REGISTRATION FEES*

- Participants from Academic Institutions/U.G./PG./Ph.D. Scholars /Industry :Rs. 700 /-
- Attendee :Rs. 500 /-

The registration includes admission to all sessions, lunch, tea, breakfast and Conference kit.

* Selected papers in RDME 2020 will be sent for publication in Regular/special issue by TEST Engineering & Management , Oakland (The Mattingley Publishing Co. Inc)* ISSN : 0193-4120
Indexing: Scopus , Google Scholar & Crossref (doi)

ABOUT THE COLLEGE

Modern Education Society is established in 1932 with the motto "For the Spread of Light". M.E.S. College of Engineering established in 1999 and situated in the heart of Pune city, offers engineering UG & PG courses in Mechanical, E&TC and Computer Engineering and is affiliated to Savitribai Phule Pune

University. The college is developing fast with the vision "To Develop Motivated, Environment friendly, Self esteemed, Creative and Oriented Engineers" and the mission "To develop industry oriented manpower to accept the challenges of globalization by promoting value Education through motivated trained faculty by maintaining conducive environment within affordable cost by promoting industry institute interaction by involving Alumni". The College is accredited by NAAC with Grade 'A' (2015-2020)

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is striving hard since its inception in 1999 with highly qualified and energetic faculty for the all-round development of the budding engineers for the tomorrow's nation building. The department is well equipped with state of the art facility in CAD/CAM and Automation Laboratory, Refrigeration and Air Conditioning, Fluid Mechanics and Fluid Machineries etc. The leadership and team building qualities, environmental consciousness of our students are nurtured through membership and participation in various events organized by SAE India, Renewable Energy Club and MESA. Many staff members have acquired PhD in various streams of Mechanical Engineering. Department is accredited by N.B.A. for three years (2018-2021)

ABOUT THE CONFERENCE

9th RDME 2020 is a series of National Conferences organized by Department of Mechanical Engineering of M.E.S. College of engineering, Pune with objective to provide the platform for Students, Engineers, Researchers and Scientists to share the knowledge and ideas in the field of Mechanical Engineering. The paper accepted during RDME 2013, RDME 2016, RDME 2017, RDME-2018 & RDME-2019 are successfully published by Journal of Mechanical and Civil Engineering & Journal of Engineering with indexing in Google scholar & Crossref (doi)

CALL FOR PAPER

The 9th National Conference on "Recent Developments in Mechanical Engineering" [RDME-2020] is the premier forum for presentation of new advances and research results in the field of Mechanical Engineering. The conference will bring together researchers, engineers and scientists in the domain of interest from variety of disciplines such as Design, Heat Power, Production, & Automation Technology.

Topics of interest includes but not limited to:

- Recent trends in Refrigeration & HVAC
- Advanced heat transfer
- Computational fluid dynamics/Finite element analysis
- Industry 4.0 , IOT/ Biomedical Engineering/3D Printing
- Fluid Mechanics
- Recent trends in automobiles & I. C. Engines
- Fracture Mechanics, Tribology in design
- Design of material handling equipment's
- Acoustic & Vibration
- Mechanism analysis & synthesis
- CAD/CAM/CAE & Robotics-
- Nano technology, Mechatronics
- Advances in manufacturing technology
- Six sigma / Taguchi technique / Adv. inventory technique
- Environmental Engg. & energy resources
- Quality and Reliability Engineering/Reverse Engineering
- Electrical Mobility
- Dynamic Mechanical Analysis, Optimization and Control
- Flexible Manufacturing Technology & System

PAPER FORMAT & PUBLICATION

All manuscripts must be in MS-word. For template use following link:
<http://rdmemescoe.com/>

Selected papers in RDME 2020 will be sent for publication in Regular/special issue by TEST Engineering & Management, Oakland (The Mattingley Publishing Co. Inc)* ISSN : 0193-4120 and will indexed in Scopus , Google Scholar & Crossref (doi)

* Additional charges will be applicable for publication in above journal that will be notify through email as per journal policy.
